The thing that sets ES camps apart from other o-camps is that they're centred around meeting Jesus and his people. **Commencement Camp** will get you thinking about the big questions of uni and life through Bible talks, orientation sessions and friendships.

There are two ES **Commencement Camps** in SA:

- North Terrace: Adelaide University, UniSA City East and UniSA City West
- Flinders University, UniSA Magill and UniSA Mawson Lakes

ES **Commencement Camps** are designed to cater for students at all levels. For new students, it's an essential introduction to uni life. For continuing students, it's a great start to a new year. **Commencement Camp** is a time for building valuable relationships for uni and the rest of life!

For the sake of an enjoyable and safe camp, campers need to follow camp rules and leaders directions. There's a strict ban on drugs and alcohol.
