What is Flinders ES?

We are an evangelical, interdenominational fellowship of university students united by our belief¹ that the coming of Jesus Christ is

1. the best thing that has ever happened
2. the inescapable voice of God to humanity
3. the defining point of all history
4. the source of all authentic and rational human existence

Flinders ES is a part of Evangelical Students in Adelaide (ES) and also a part of the Australian Fellowship of Evangelical Students (AFES), which is part of a worldwide group called the International Fellowship of Evangelical Students (IFES). We're a student-run organization with a committee of students to coordinate activities, working in partnership with AFES staff workers.

What do we do?

We aim to

1. share the good news of Jesus Christ with each other and make it publicly known through open meetings and personal witness
2. help students understand the Christian faith by teaching the truth of the Holy Bible in order to strengthen their relationships with God
3. stimulate an informed interest in God's work worldwide, and encourage each person to view their life with a missionary perspective, whatever their vocation
4. strengthen Christian students to make them more effective members of their own churches
5. pray for God's work amongst students

What does it mean to become a member?

By becoming a member you are declaring Jesus Christ to be your Saviour (you trust in him for the forgiveness of your sins), your Lord (you want him to govern your life and everything you do, and lead you by God's word and the Holy Spirit), and your God (you want to honour him and are glad to be one of his people declaring him on campus). Being a member means that you wholeheartedly agree with Flinders ES's aims and beliefs and are keen to work with other members to further these aims and beliefs on campus.

There is a membership fee that goes to supporting the work of Flinders ES on campus. You can choose how much you support us with; either \$10, \$20 or \$30 (or more if you feel led). Please pray for God to lead you in this decision. We use the money to fund our activities on campus, to participate in fair days and Mission Week and to advertise our presence at the university.

If you'd like to be a member please fill out the form attached and give it and your membership fee to a committee member.

If you decide not to, you're still more than welcome to come along to all our meetings and functions.

1 For a full statement of our beliefs please visit our website, <http://flinders.es.org.au/>

By joining Flinders Evangelical Students I declare my faith in Jesus Christ as my Saviour, Lord and God, my belief in the Bible as the authoritative Word of God, and agree with Flinders ES's aims and indicate my support for the work of the group on campus. I wish to be part of this group of diverse Christian students to glorify God on campus.
